

COMPLIANCE WITHOUT COMPLEXITY

Protect your practice – and your reputation

You can't avoid compliance, but you can make it a whole lot easier.

Thousands of providers trust **Practice Management Bridge® Compliance** to spot risks, train teams, and adapt to evolving regulations – all on a single platform.

A few ways Bridge™ Compliance simplifies protection

HIPAA features include:

- **Risk assessment:** Complete your required annual assessment
- **Track progress:** Know when staff review and accept policies
- **Business Associate Agreements:** Create and store vendor BAAs

OSHA features include:

- **Audit checklist:** Built-in tool helps self assessments
- **Safety Data Sheets:** Access a library of required safety sheets
- **Incident tracking:** Log incidents and follow proper response steps

Plus dozens more tools and resources that simplify staff training, reporting, and documentation.

“My staff logs in and **completes their OSHA and HIPAA requirements on their own time.** Before, we blocked off a day.”
